Join us for the 3rd Annual "Women on the Water" Conference (WOW) in Castine, Maine October 15-17. Since 2007, the Women on the Water Conference has brought women together to learn, network, relax and grow by offering diverse workshops and inspirational speakers. This year's conference promises to be another excellent program that will provide a venue to build relationships and learn from business experts representing the maritime community.

Conference and Registration Details to Follow

Be sure to visit <http://www.marad.dot.gov/wow/index.html> as more details become available. Email inquiries/comments, along with your contact information (mailing address, organization, email address and phone number), to WomenontheWater@dot.gov.
